

WEBSITE PREPARATION CHECKLIST | BOSSWEBBER

10 Essential Steps to Prepare Before We Build Your Website

1. GOAL DEFINITION

What is the primary purpose of the site? (e.g., generate leads, sell products, display a portfolio, provide information).

2. TARGET AUDIENCE

Who are your ideal visitors? Define their age, location, technical proficiency, and what problem your website solves for them.

3. DOMAIN & HOSTING PREFERENCES

Do you have a desired domain name? Bosswebber can assist with acquiring and setting this up if needed.

4. COMPETITOR ANALYSIS & INSPIRATION

Find 3-5 websites you love and note what you like about them.

5. BRANDING ASSETS

Gather your logos, brand color codes, and fonts.

6. SITEMAP (PAGE LIST)

Home, About Us, Services/Products, Testimonials, Contact Us.

7. CORE CONTENT & COPYWRITING

Prepare text content and strong call-to-actions like 'Buy Now' or 'Get a Quote'.

8. IMAGES AND MEDIA

Organize high-quality photos or request stock images.

9. THIRD-PARTY INTEGRATIONS

Identify tools like Mailchimp, Stripe/Momo, Google Analytics, WhatsApp.

10. BUDGET & TIMELINE

Define your budget and launch deadline clearly.
